Payment of the premium

This is a "pay as you go" policy. This is a rolling short-term contract which provides cover for one month and will remain in force for as long as you continue to pay. Premiums can be paid alongside your rent. This means your insurance cover is in place as long as you continue to pay your premiums.

Cost of Insurance

You can work out the cost of your insurance by following these easy steps:

1. Use the do-it-yourself valuation sheet opposite to work out how much cover you need.
2. Now refer to the premium tables on pages 5 & 6 to select the premium you will pay.

You can use the below to work out your Premium

Accidental Damage

Insert in box 1 depending on the cover selected the premium for your sum insured.

If you have chosen to include an optional cover such as "Personal Possessions" please insert the premium in boxes 2-5.

Wheelchairs

£ 3

Hearing Aids

Do-it-yourself valuation of your household contents

Most people find that their home contents are worth more than they think. To help calculate the total replacement cost of all your contents as new within your home, follow these steps:

1. Use the list below to help calculate the replacement cost of each item as if you were buying it new.
2. Add up the values in the Total Value column.
3. Round the total figure up to the nearest £1,000.
4. Enter this rounded figure on the application form.

This will ensure you have an accurate estimate of the total replacement cost of your home contents.

Underinsurance – What It Means

Make sure your contents are insured for their full replacement cost as new. If you underestimate the value, any claim payout could be reduced.

Example:

If you insure your contents for £10,000 but they're actually worth £20,000, you're only 50% covered. So if you make a £4,000 claim, you may only receive £2,000.

Please consider this when selecting your contents sum insured.

Please keep this sheet for future reference
