STATEMENT OF REASONS

The proposed installation of waiting restrictions are intended to remove obstructive parking to assist free flow of traffic and promote road safety. This will particularly assist emergency vehicles, refuse and recycling trucks, delivery vans and other large vehicles.

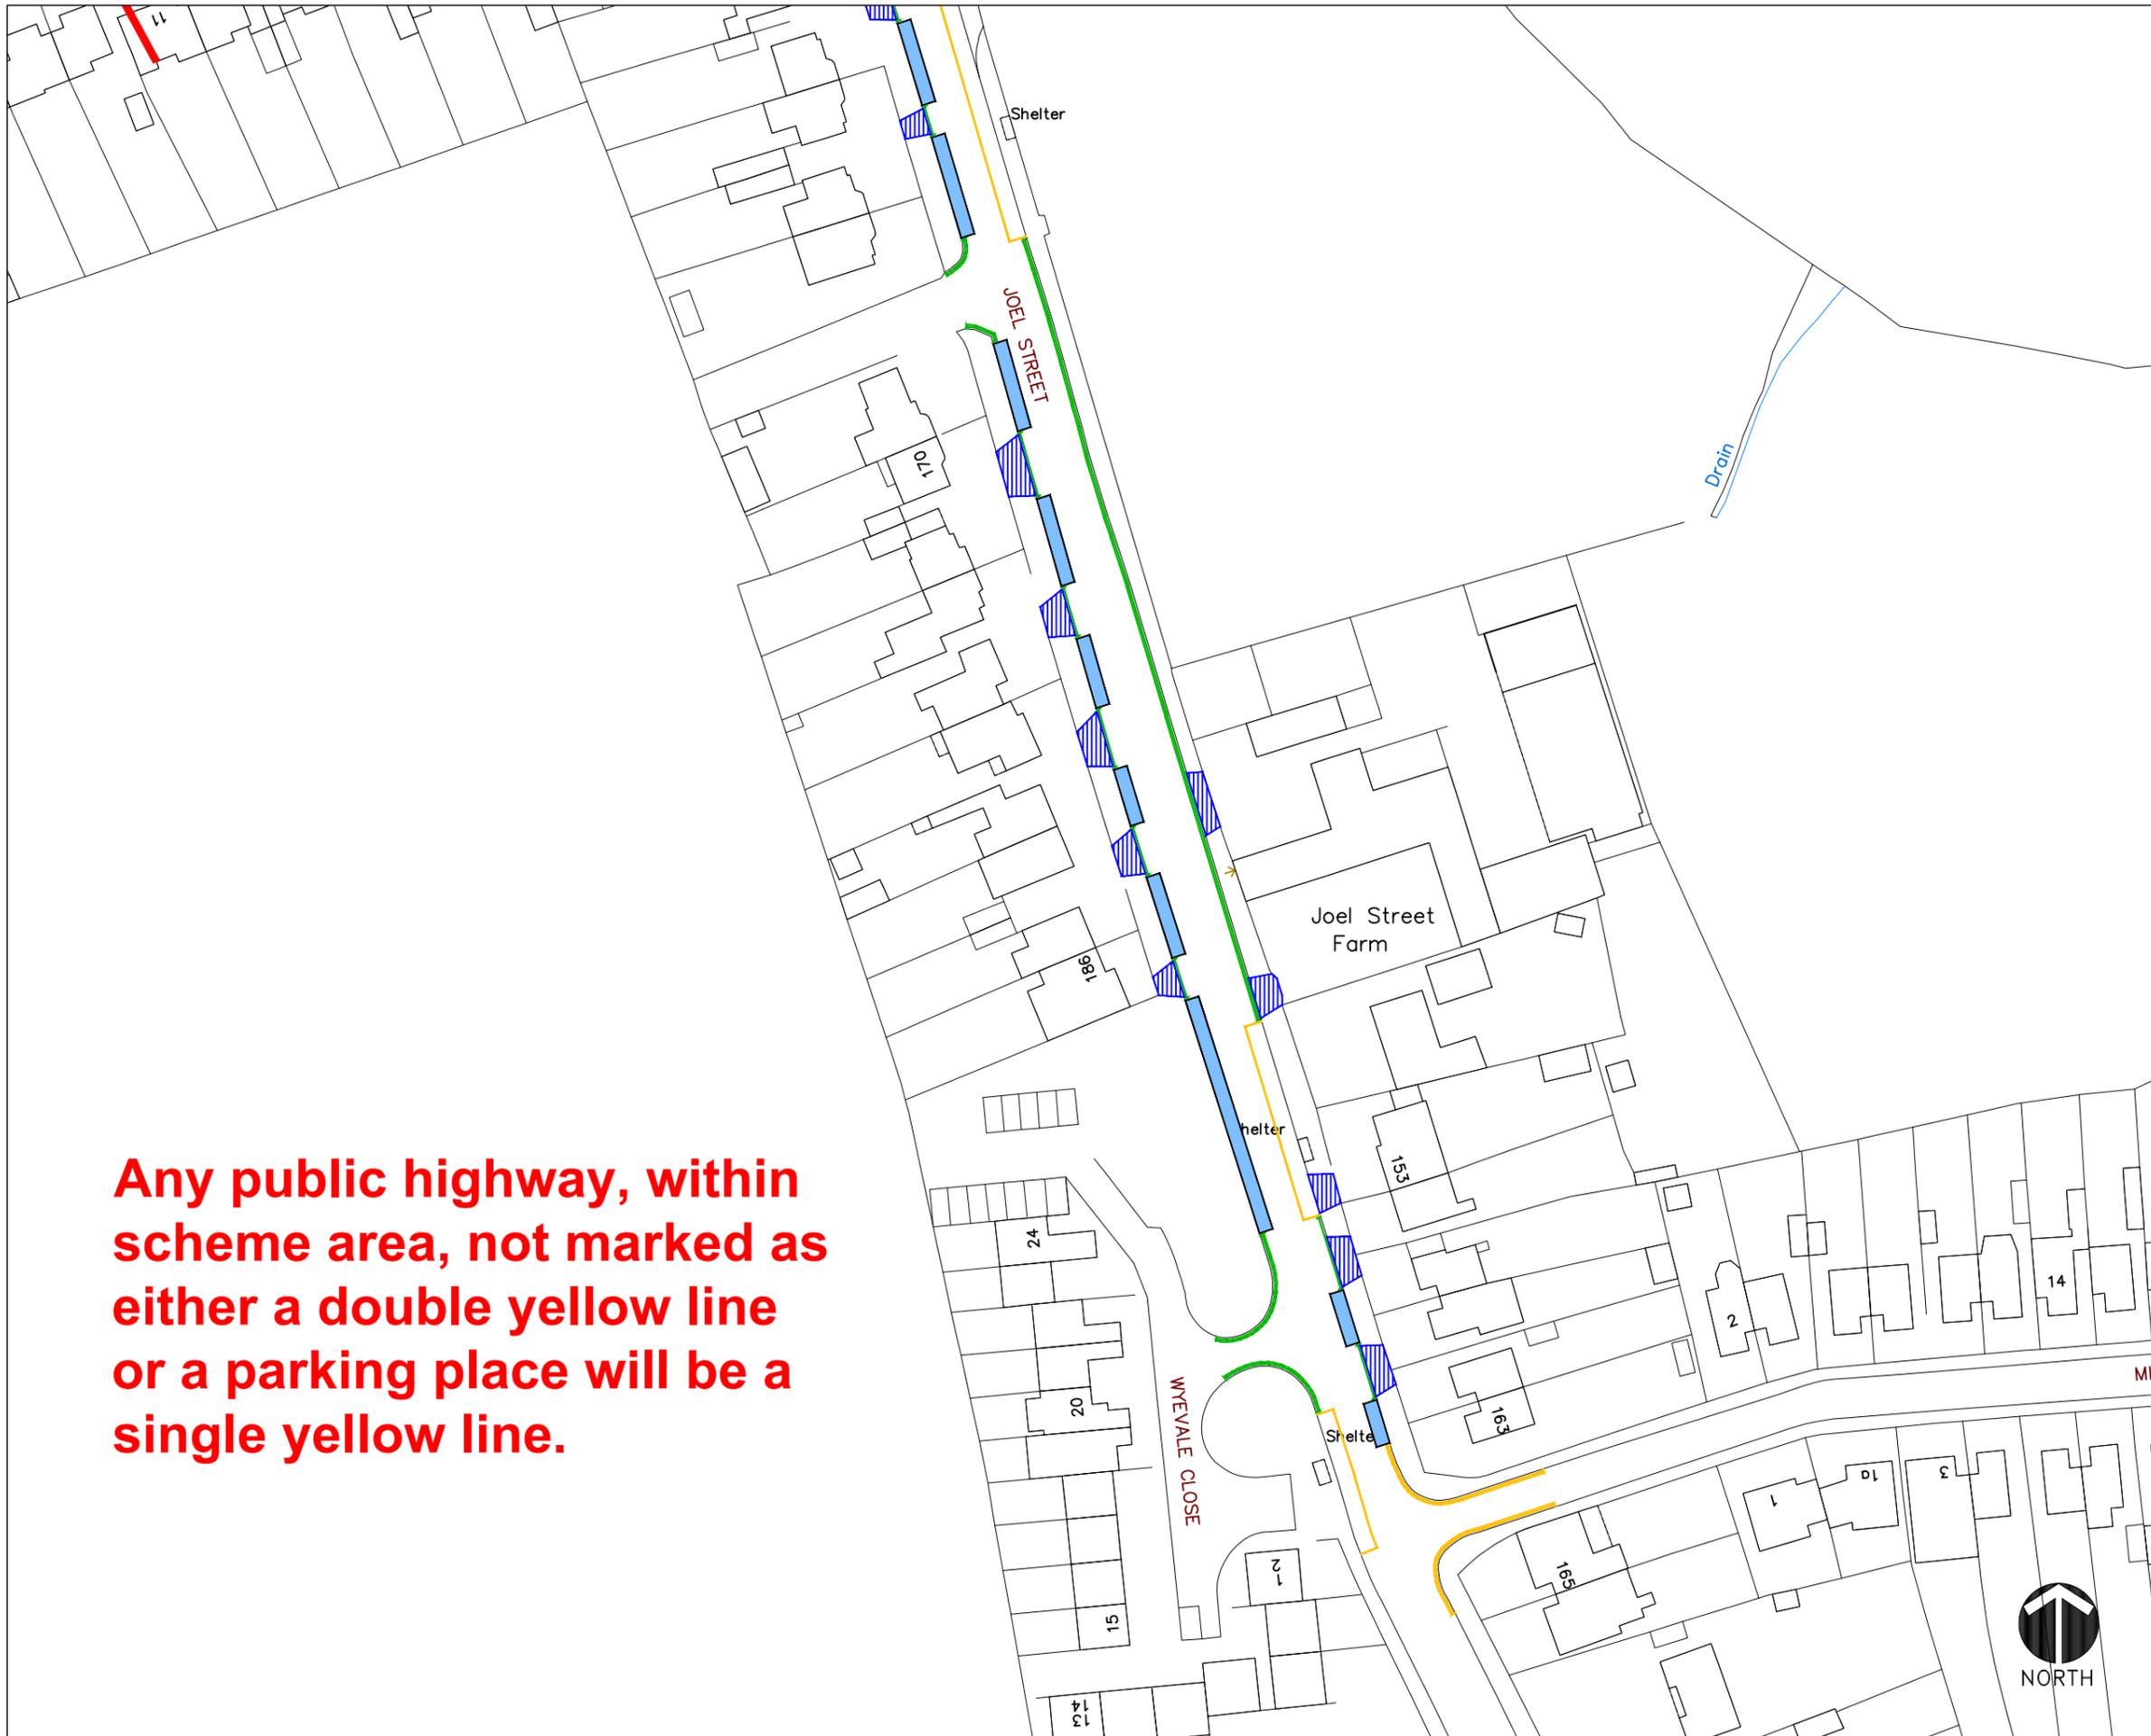

The proposed disabled parking bays are intended to benefit disabled people by providing parking bays for the sole use of “blue badge” holders. Redundant bays will be removed to provide more parking for residents and their visitors.

The proposed Zone HY10 Parking Management Scheme in Glebe Road, Hayes is intended to prevent all day non-residential parking.

The proposed extension to the Northwood Hills Parking Management Scheme Zone NWH in parts of Joel Street and Norwich Road, Northwood Hills is intended to prevent all day non-residential parking.

The proposed removal of parts of permit holder parking places are intended to provide clear access to existing off-street parking areas.

Any public highway, within scheme area, not marked as either a double yellow line or a parking place will be a single yellow line.
