MARINA APPROACH, HAYES

i) Install double yellow lines in the turning area adjacent to Nos. 18 and 19 Marina Approach.

GREEN LANE, NORTHWOOD – Convert the existing waiting restrictions to double yellow lines between the junction with Hallowell Road to outside No. 110 Green Lane.

### STATEMENT OF REASONS

The proposed installation of waiting restrictions are intended to remove obstructive parking to assist free flow of traffic and promote road safety. This will particularly assist emergency vehicles, refuse and recycling trucks, delivery vans and other large vehicles.

The proposed disabled parking bays are intended to benefit disabled people by providing parking bays for the sole use of “blue badge” holders. Redundant bays will be removed to provide more parking for residents and their visitors.

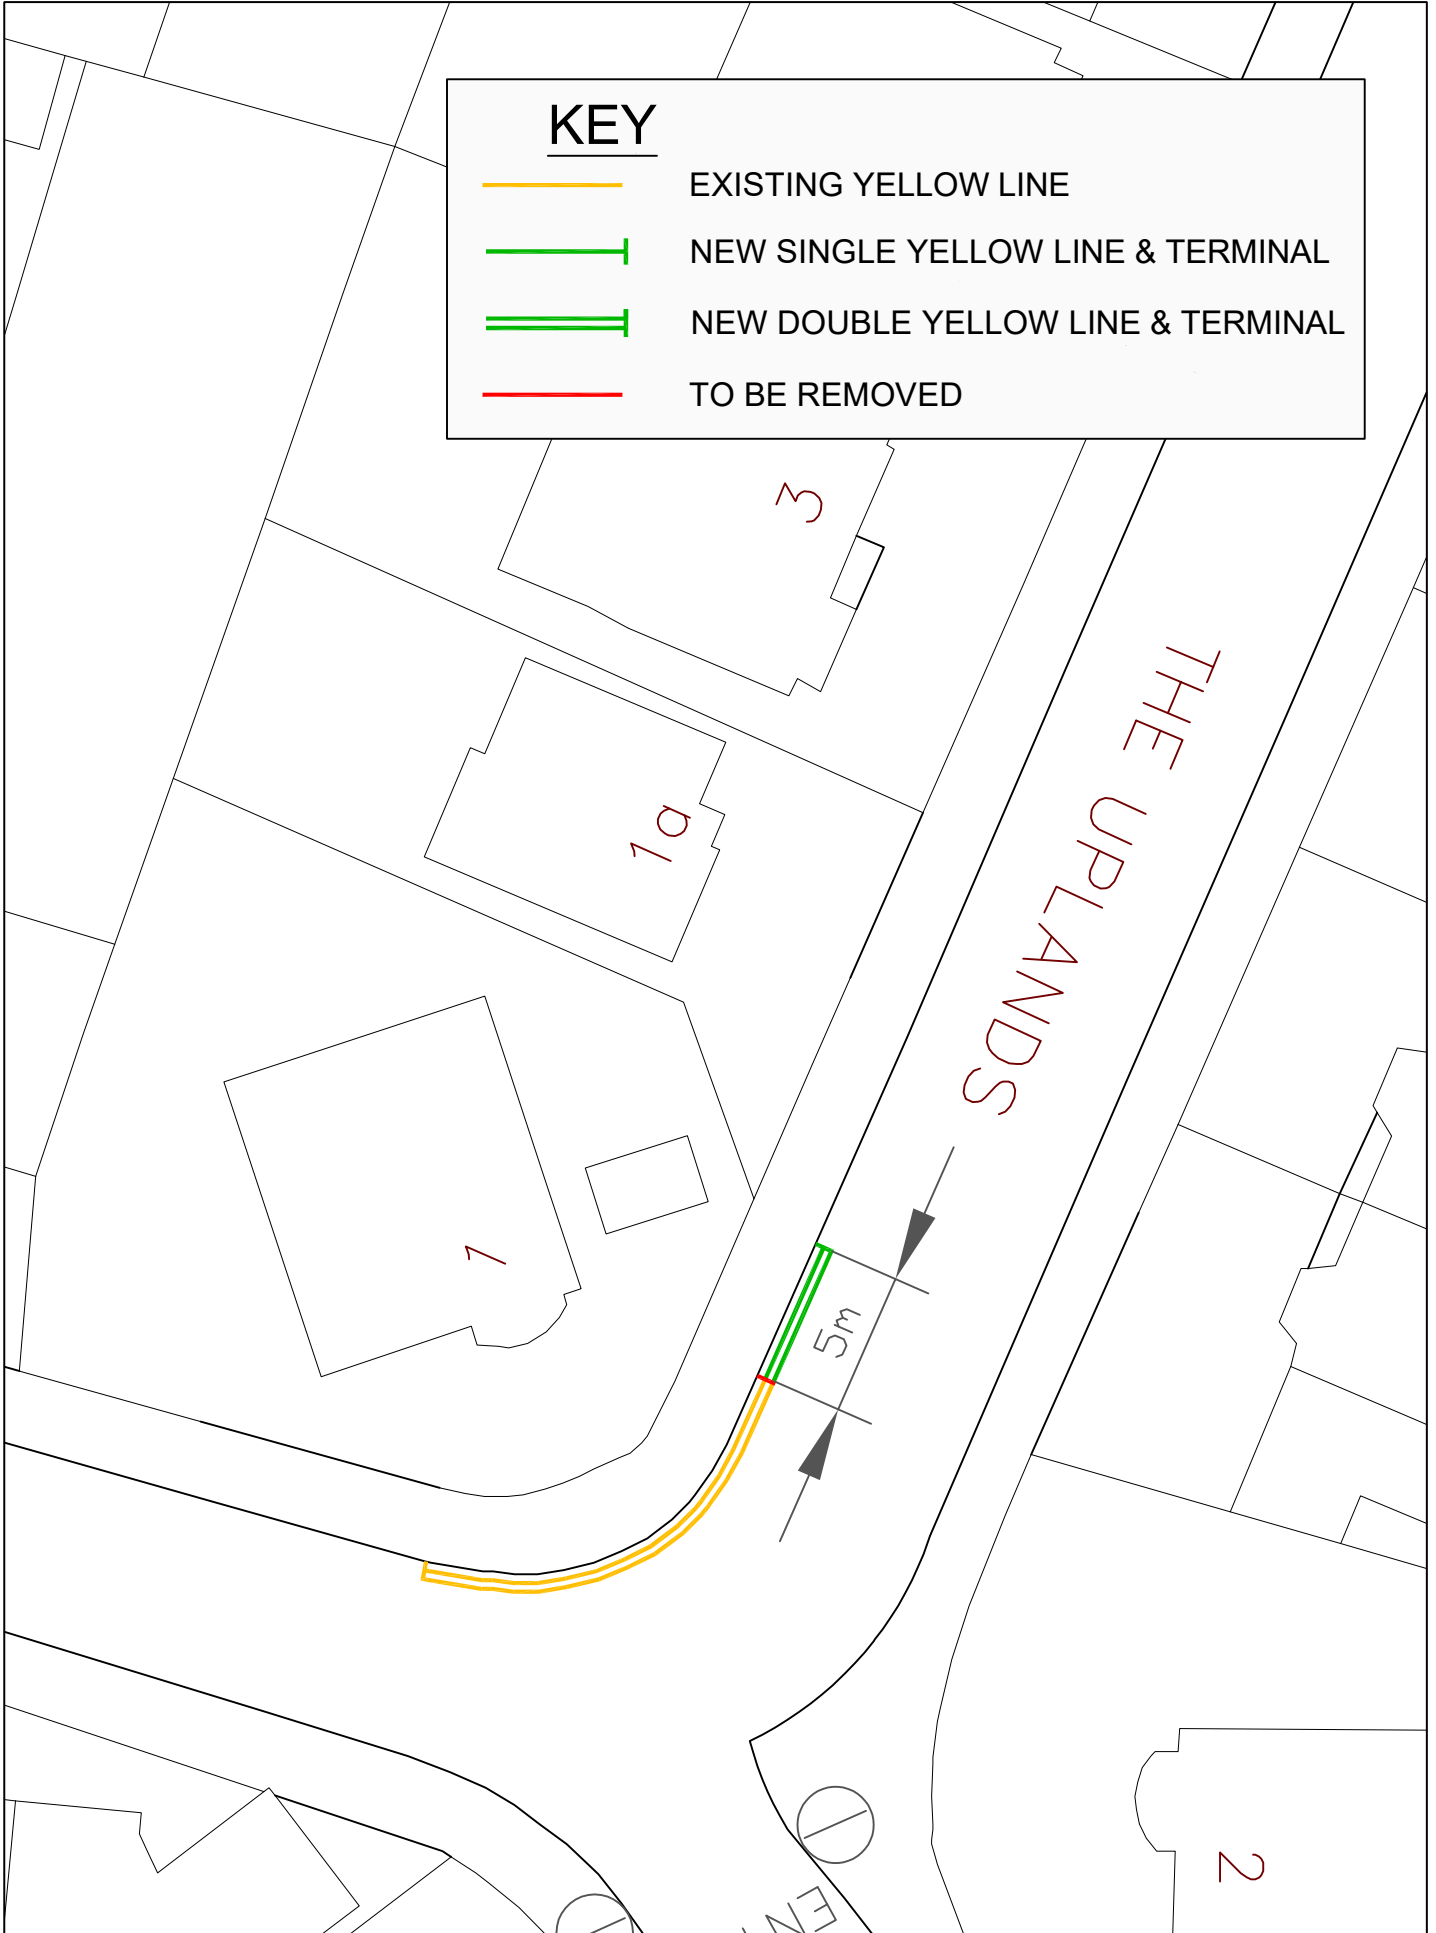

The proposed extension to the operating times of the business permit holder parking place on Station Approach, Ruislip will ensure that this designated parking place is kept clear for nearby businesses who require the use of this space from 8am onwards on weekdays.

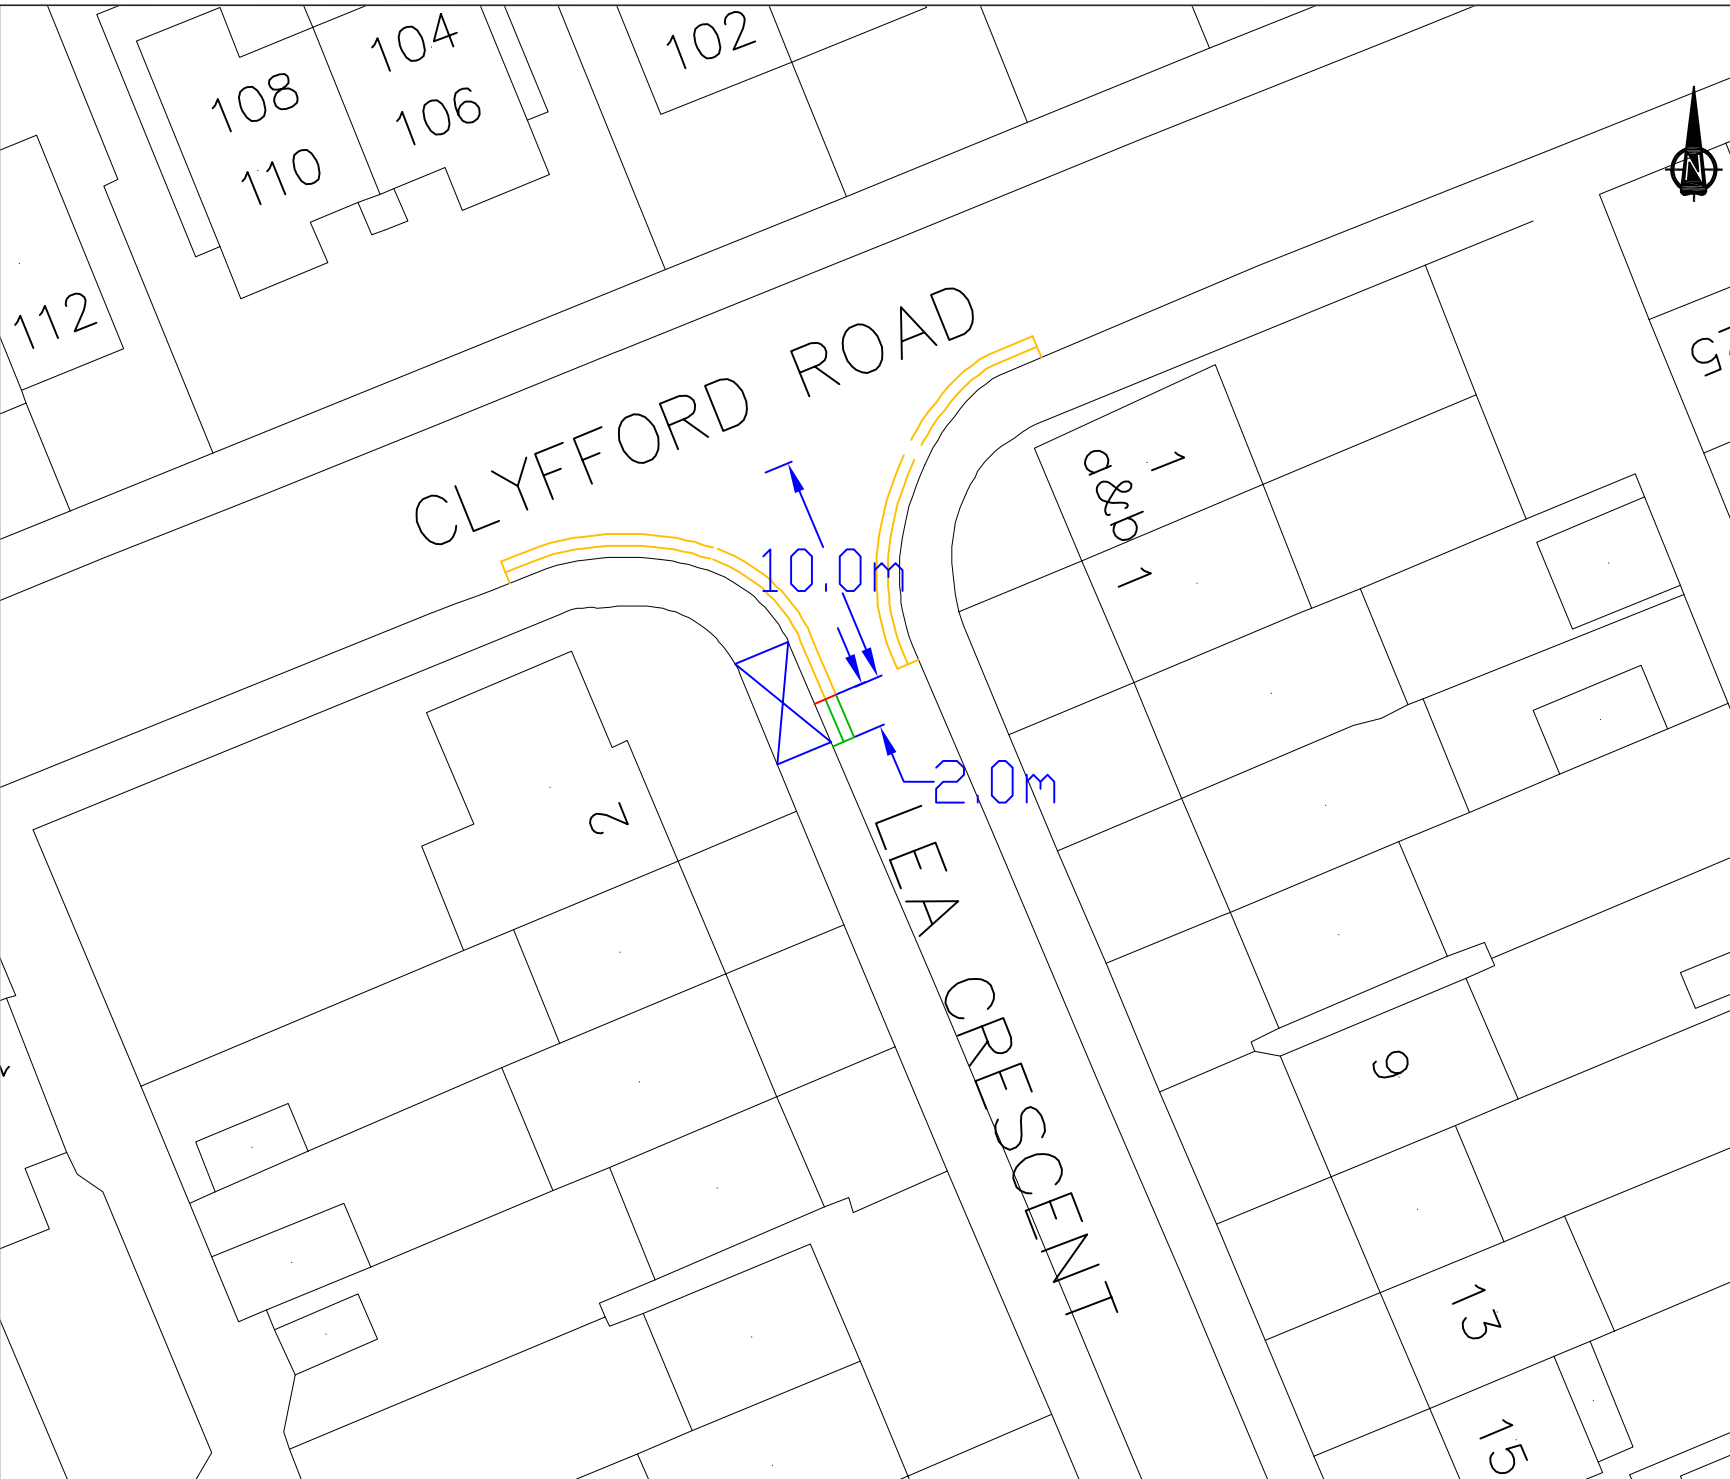

The proposed additional seasonal short stay parking places in Howletts Lane, Ruislip will provide parking for customers of nearby businesses during the operating times of the RL4 Parking Management Scheme.

The proposed extension to the operational times of the West Drayton Parking Management Scheme in Colham Mill Road will prevent non-residential parking outside the times that the current scheme operates.

All of the above proposals have been agreed by the Cabinet Member for Planning, Housing & Growth.
