Provide a general description of the premises

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off- supplies you must include a description of where the place will be and its proximity to the premises.

The premises trades as "Clip 'n Climb Uxbridge," a family-focused indoor leisure, climbing, and activity centre located within a secure, managed space inside The Pavilions Shopping Centre, Uxbridge. The business operates primarily as a multi-generational recreational venue catering to families, children's parties, youth groups, and adult corporate events.

The premises is split into two distinct operational demises separated by an internal, public shopping centre walkway:

Continued from previous page...

1. Unit 1 (Atrium Space): Located within the atrium space of the shopping area, this ground-floor demise contains the main reception desk, the café servery with customer seating, the children's soft play area, and the active climbing arena.
2. Unit 2 (Units 20-22): Legally designated as Units 20 and 21-22 of the shopping centre, this second demise contains the private party rooms, the safety briefing area, the main kitchens and food preparation area, and the business offices. This unit also connects directly to restricted-access basement storage rooms where secure, bulk alcohol stock is held.

The sale and supply of alcohol will be strictly ancillary to the main use of the venue as an indoor leisure arena. The sale of alcohol is requested for "On the Premises Only" and consumption will be physically contained within the specific hospitality zones across the two demises—namely the café servery and seating footprint inside Unit 1 (the atrium space), and the private party rooms and briefing area (when used flexibly in lieu of briefings) for inside Unit 2 (Units 20-22)—as explicitly marked by the red boundary lines on the submitted premises plans.

No alcohol consumption is permitted within the active climbing arena, the soft play structure, or on the unlicensed public shopping centre walkway separating the two units. The public walkway will be treated as a strict zero-alcohol transit zone. The movement of all secure alcohol stock between the storage area and the hospitality zones across this walkway will be strictly facilitated and supervised by trained staff members only.

The development is currently unrated by the VOA, and will be rated as a whole in terms of Units 20,21,22 and atrium. Therefore, this application is submitted under Band C.

To support the Public Safety objective for this high-traffic leisure unit, the attached plan bundle includes our comprehensive mechanical, electrical, and centre-integrated fire strategy plans (Sheets 300 through 600) alongside our core licensing layouts (sheets 300 and 301).

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

- The premises will operate primarily as a family-focused leisure arena, with alcohol sales strictly ancillary to the main use of the venue (soft play, climbing activities, and café dining).
- The Designated Premises Supervisor (DPS) is a Personal License holder who will maintain daily, hands-on management of the premises.
- Alcohol will only be sold for consumption on the premises within the designated café/seating boundary.
- Standard operations will cease by 21:00 daily. Extensions until 23:00 on Wednesdays, Thursdays, Fridays, and Saturdays will be strictly limited to pre-booked private hires, corporate functions, or centre-managed special events

b) The prevention of crime and disorder

- CCTV System: A digital closed-circuit television (CCTV) system shall be installed, maintained, and operated to the satisfaction of the Police and Licensing Authority.
- CCTV Coverage: Camera coverage will comprehensively monitor the café service counter, guest seating zones, private party/briefing rooms, dedicated alcohol storage areas, and all public entry/exit doors across both operational demises.
- CCTV Retention: Footage will record in real-time, be safely stored, and be retained for a consecutive minimum period of 31 days.
- Staff Availability: A staff member trained to operate, download, and export CCTV footage will always be present on the premises during all operational hours to assist authorities upon lawful request.
- Secure Bulk Storage: All bulk stock of alcohol not actively on display behind the café counter will be kept inside the designated, lockable basement storage rooms (as marked on the premises plan). This area will remain physically locked at all times, with access restricted strictly to the DPS and authorized personnel.
- Walkway Transit Control: The public shopping center walkway separating the two demises is completely unlicensed. Customers are strictly prohibited from carrying alcohol out of the units or onto the walkway.
- Staff-Only Facilitation: The movement of any alcohol stock between the storage rooms and the café servery/party areas across the shopping center walkway must be carried out exclusively by trained staff members. No open alcohol containers may be transported across the walkway by the public at any time.
- Incident Log: A bound incident logbook will be kept at the main counter. All incidents of disorder, refused alcohol sales, or walkway boundary breaches will be recorded immediately, including the date, time, and name of the staff member involved.

c) Public safety

- Glass Exclusion Policy: No glass bottles, glass cups, or glass decanters will be permitted in any public or guest area of the venue.
- Shatterproof Poured Drinks: Any alcoholic beverages requiring pouring (such as wine) will be served exclusively in clear, shatterproof polycarbonate or plastic containers.
- Canned Beverages: Beers, lagers, and ciders may be served in aluminum cans. All such cans will be opened by staff at the

Continued from previous page...

café counter at the point of sale.

- **Climbing Activity Sober Policy:** The venue operates a strict "Climb First, Drink After" policy. Any adult participating in a late-night private hire or corporate climbing session will not be served alcohol until their climbing activity has completely finished. Staff will cross-reference event wristbands or booking sheets to ensure no guest consumes alcohol prior to or during their active climbing slot.
- **Clearing Policy:** Café and hosting staff will rigorously monitor all seating areas, briefing rooms, and party rooms, clearing away empty or half-full drink containers immediately to ensure no unattended alcohol is accessible.
- **First Aid:** Fully stocked first aid kits and a minimum of one trained first aider will be present on-site during all operational hours.
- **The premises features a center-integrated L2 fire alarm system, full sprinkler coverage, and specialized smoke extraction zones, as detailed in the technical fire strategy plans submitted to the authorities.**

d) The prevention of public nuisance

- **No Regulated Entertainment:** No live music, external promoters, or live DJs will be permitted at the venue at any time. Music will be restricted strictly to low-level ambient background sound.
- **Dispersal Management:** For any special event extending past 21:00 (up to the 23:00 curfew), staff will manage a gradual, quiet dispersal of patrons. Clear signage will be posted at the exits asking guests to respect local residents and leave quietly.
- **Waste Management:** No commercial waste or glass recycling bins will be emptied or moved outside the venue between the hours of 21:00 and 08:00.

e) The protection of children from harm

- **Age-Verification Policy:** The premises will strictly operate a Challenge 25 proof of age scheme. Any patron attempting to purchase alcohol who appears under the age of 25 will be required to produce valid photographic identification (such as a passport, photo driving licence, or PASS-accredited card).
- **Counter Signage:** Highly visible Challenge 25 signs will be prominently displayed at the café counter point of sale to warn customers that ID checks are mandatory and that passing alcohol to a minor is a criminal offense.
- **Storage Access Prevention:** Alcohol storage rooms, basement storage areas, and delivery cages will be locked and completely inaccessible to the public during all operating hours to prevent any unauthorized access by children or minors.
- **Boundary Enforcement:** Highly visible signage will be displayed at all exit thresholds leading from the café seating area to the shopping centre walkway and the active play zones stating: "No alcohol past this point. Alcohol must remain within the seating zone." Staff will actively monitor exits to ensure drinks are not carried outside the unit.
- **Shared Space Controls:** The café is a shared family environment. Alcohol displays will be positioned safely behind the counter, completely out of reach of children and separate from standard confectionery or soft drinks.
- **Targeted Asset Closure (Post-21:00):** During late-night private hire functions or special events operating past 21:00 where minors are not present, the children's soft play area will be completely closed, to ensure that it remains entirely out of use.
- **Adult-Only Active Climbing Zones:** The climbing wall area may remain open during post-21:00 adult-only events. This zone will be strictly marshalled by trained Clip 'n Climb safety staff to ensure only pre-registered, sober adult guests enter the active harness/climbing floor.
- **Proxy Sales Monitoring:** Staff will be heavily trained to detect and prevent "proxy purchasing" (adults buying alcohol on behalf of minors).
- **Staff Training Records:** All café and floor staff will undergo documented training regarding age verification, proxy sales, and identifying intoxication before being allowed to serve alcohol. This training will be refreshed and signed off annually for existing staff, and immediately upon induction for any new employees. All training logs will be kept on-site and made available for inspection by Hillingdon Council officers or the Police upon request.
- **Adult Supervision Rule:** The venue's terms of entry will mandate that all children must be continuously supervised by a responsible adult. Staff will actively intervene if a child is found unsupervised near the café seating area.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
